SANTÉ PRAIRIE MOUNTAIN

Request for Proposals

2021 PMH Nurse Call Replacement Projects

Project # 4351

**Prime Contractor Services
Killarney, Manitoba**

Through this Request for Proposal (RFP) Prairie Mountain Health (PMH) through MCW Engineering, is seeking well considered submissions for Nurse Call Replacement Services from qualified vendors / installers (Proponent) with demonstrated ability to provide construction and installation for the replacement of the Nurse Call System at the Tri-Lake Health Centre located in Killarney, Manitoba.

Sealed Proposals from Proponents for the above noted project will be accepted up to 2pm, local time, **December 9, 2021**.

A mandatory contractor site review will take place on **December 2, 2021 @ 10am**.

Proponents wanting to take part in the mandatory site review must be registered with the consultant by **November 29, 2021**.

Request for Proposal documents were made available for Proponents November 23, 2021 from the MERX website. www.merx.com.
